

# 2004 Two Princes P2

Two Princes stand for the 31st (Prince Michael) and 32nd Generation of winegrowers in the same family. The 2004 Riesling displays the perfect balance between fruit and acidity and is something Schloss Wallhausen is best known for. Two Princes displays a lot of slate characters similar to the soils where the wine comes from. This wine is best served with Asian food, fish or sweet on sour sauces. It can also just be sipped along.
